

Chatters

.....famous for wood-fired pizza

Clare & Rob would like to welcome you to Chatters!

Chatters is an owner-run restaurant, with a very small team of staff. Since the beginning of the covid pandemic, that team has become even smaller to allow us to socially distance. We are most famous among the Knysna locals for our thin'n'crispy pizzas. Made-to-order with the best ingredients & topped all the way to the edge, the pizzas are then baked in our wood-fired oven for that extra special flavour. We have kept our entire pizza menu available, but have had to limit other areas in order to maintain efficiency and minimize wastage in the kitchen. Please forgive us for this! Don't forget to save space for dessert... still home-made by Clare 

A Note on Corkage

We put a lot of time, effort & money into creating & maintaining our wine list. We feel it offers a great selection of South African wines at various price points & reasonable mark-ups. For this reason, we do not allow customers to bring their own wines into the restaurant. If you have any suggestions on wines, which we may include in future, they are most definitely welcomed. Thank you for your understanding.

A Note on gratuities

Service is not included in your bill at Chatters. Tips/gratuities are left entirely at your own discretion. As a guide for visitors to South Africa, who are not sure of the tipping procedure here, a 10% tip would be the normal. For excellent service, one might consider a higher percentage.

STREETSMART
SOUTH AFRICA
HELPING STREET CHILDREN

SINCE 2005

R5 added to your bill!

At Chatters, we support Street Smart.

For you, the customer, this simply means that we will add R5 onto your bill automatically and this will be donated to the charity StreetSmart Knysna, which is involved with helping underprivileged children. This is a voluntary donation and should you not wish to participate, it is no problem - please just indicate this to your server. Alternatively, for those of you who wish to donate a larger sum, please also indicate this to your server, so that he/she can reflect it on your bill.

Here in Knysna, our beneficiary is the Sinethemba Youth Development Centre. Sinethemba is a drop-in centre for youngsters, in our local township, working with an average of 30 youngsters a day. To name but a few, the centre runs life and social skill programmes, substance awareness programmes and job readiness/job application workshops. They also focus on re-uniting street children with their families and trying to help children who have dropped out of schools to re-enter the education system.

Since inception it has rehabilitated close to 170 children back to school. Sinethemba's core focus is to change the attitude and lives of not just the children at risk, but also their families.

*Street Smart passes on every cent raised at Chatters,
DIRECTLY to the beneficiary here in Knysna.*

A note on Avocado:-

We will always endeavour to have fresh avocado available regardless of season, but this means price fluctuates

A note on our Pizzas:

Dough is made daily by hand, not machine. Pizza bases are rolled by hand & for this reason may differ slightly in size & shape. Our small size base is 24cm and the large is 30cm, although more often than not they are slightly larger than this. As a guide please use the line indented on your pizza plate, which sits at 24cm on the small plate and 30cm on the large.

A note on our Kitchen:

Social distancing means a greatly reduced team in the kitchen. Meals are still prepared to order, so please bear with us!

Desserts

Please see the separate blackboard for desserts

All our desserts are home-made by Clare (except the Waffles, which are Wicked Waffles made to our Belgian friends' family recipe)

Retail Items

Home-made Icecreams in a 500ml or 1L take-away size
