Welcome to Chatters!

Chatters is an owner-run restaurant, with a very small team of staff. We are most famous among the Knysna locals for our thin'n'crispy pizzas. Made-to-order with the best ingredients & topped all the way to the edge, the pizzas are then baked in our wood-fired oven for that extra special flavour. Our pizza dough is made every morning and the bases are hand cut, so not perfectly shaped and sized. As a guide, the line on the pizza plate is the correct sizing for a small or large pizza. Don't forget to save space for dessert... still home-made by Clare, or ask your server about the retail version of our home-made ice-creams to take-away!

For you, the customer, this simply means that we will add R5 onto your bill automatically and this will be donated to the charity StreetSmart Knysna, which is involved with helping underprivileged children. This is a voluntary donation and should you not wish to participate, it is no problem - please just indicate this to your server.

Here in Knysna, our beneficiary is the Lukhanyiso Safe House, which has been operating for 14 years. They provide shelter to abused and neglected children, housing them, clothing them, feeding them, sending them to school and most importantly LOVING and supporting them! The running costs are high and should you wish to donate a higher amount than R5 please let your server know, so we can reflect it on your bill. Alternatively, you might want to support by taking a township tour. Details of the safe house and the township tours can be found on the website www.emzinitours.co.za.

R5 added to your bill!
