Welcome to Chatters!

Clare, the owner, is originally from England, but having also travelled extensively throughout Greece, Cyprus & South Africa - you can definitely feel the influence from all of those places at Chatters!

Since first buying the restaurant in 2006, the team has changed somewhat & you will also now find Rob, her husband, here on a daily basis - usually taking charge in the kitchen.

We are most famous among the Knysna locals for our thin'n'crispy pizzas. Made-to-order with the best ingredients & topped all the way to the edge, the pizzas are then baked in our wood-fired oven for that extra special flavour. Our pizza dough is made every morning & the bases are hand cut, so not perfectly shaped & sized. As a guide, the line on the pizza plate is the correct sizing for a small or large pizza. Also on the menu are our starters, home-made burgers, pastas, potato bakes & salads.

Don't forget to save space for dessert... all still home-made by Clare, or ask your server about the flavours in stock for retail tubs of our home-made ice-creams to take-away!
